Dear Mr. Rehman:

I would like to inform you that I am resigning from my position as MERN Stack Developer for the Soft Sync Dev, effective March 26, 2022.

Thank you for the support and the opportunities that you have provided me during the last two months. I have truly enjoyed my tenure with Asinlab, and am more than grateful for the encouragement you have given me in pursuing my professional and personal growth objectives.

If I can be of any assistance during this transition in order to facilitate the seamless passing of my responsibilities to my successor, please let me know. I would be glad to help however I can.

Sincerely,

Muhammad Tanveer Khan
